

School of Counseling

alumni shares:

“This four-year learning journey has been intense and demanding, yet rewarding.

The course has **heightened** my self-awareness, **equipped** me with micro skills, taught me to **integrate** ethics in my work and introduced me to multicultural issues.

Most importantly, the skills learned are transferable, across different areas of life – professionally, socially and in ministry.”

Mah Sook Cheng
Master of Arts in Counseling
Singapore

Registration is open for Christians who are interested to be trained as professional counselors. Join us in the January 2020 cohort!

The Master of Arts in Counseling offered by TCA College is recognized by the Singapore Association for Counselling and the IRCEP (The International Registry for Counselor Education Programs).

Visit our website for more information on the program and application details. <https://bit.ly/2XX2emL>
